S I R :

Enclosed herewith are a copies of published corresponding applications to the parent application of which the present application is a CIP. It is noted that the European Patent Publication EP 1 075 836 A2 names two of the three presently named inventors. JP 2000-281696 is not a corresponding application to the present application hereof.

These publications are also listed in the enclosed PTO/SB/08A and PTO/SB/08B Form. It is therefore requested that these publications be considered with respect to the patentability of the present invention and that an initialed copy of the enclosed PTO/SB/08A and PTO/SB/08B Form be returned to applicant to indicate that such publications have been considered and made "of record."
